STATEMENT IN SUPPORT OF PETITION TO REVIVE

Dear Commissioner:

Applicants respectfully request revival of the above referenced application in order to establish copendency with application 11/970,180. The application was unintentionally abandoned because the undersigned did not file an extension of time to respond to the Final Office Action in the above case when the continuation was filed. The undersigned inadvertently misread the mailing date of the Final Office Action, and believed the date for response was 1/27/08, rather than 12/27/07. Accordingly, no extension of time was filed in the above referenced case as should have been filed in order to maintain copendency when the continuation was filed. Applicants intended to maintain the pendency of the above application when the continuation was filed. Accordingly, the abandonment of the above referenced application was unintentional. A review of the file for this case revealed the unintentional abandonment, and the attached Petition to Revive is being filed as quickly as possible after the unintentional abandonment was discovered.

In view of the foregoing, the undersigned affirms that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional.

Respectfully submitted,

March 5, 2009
